"May the favor of the Lord rest upon us and establish the work of our hands—yes, establish the work of our hands." As the fall season arrives with its chilly mornings and football fever, let's celebrate our creativity, our uniqueness, and make more quilts to keep us warm. Check out our winter calendar and plan to join us for lots of fun and fellowship in our classes, events and demos. We are always open to scheduling custom classes for you and our friends if there is a particular quilt or project that you would like to make. Have a blessed Thanksgiving and Christmas Season . . . With love & licks,
Debbie, Paul & Chloe
